

DECEMBER CALENDAR GIRL!!

BARBARA WILSON!

The staff have decided to give the award to Barbara this month because of the 'positive' energy that she brings into the club when ever she comes to work out. Everytime that a prospective member comes to look at the club, you can guarantee that Barbara will go over to the lady and tell her how wonderful the club is! Myself and Simon can promise that we do not pay her to do this!

Barbara even learns all the names of the members.....more so that some of the staff!

Thankyou Barbara for being such a fun, friendly and positive member....every Curves club should have a member like Barbara!
